WOMEN IN APPRENTICESHIPS VICTORIA ELECTRICAL PROGRAM

The Women in Apprenticeships Victoria Electrical (WAVE) Program is an initiative funded by the Apprenticeships Victoria and delivered by The Centre for U. The program aims to increase the number of women entering the electrical trade and support them as they make the transition from an electrical pre-apprenticeship to employment in the electrical industry

The program is free and provides participants with additional training, support, equipment, industry mentoring and connection to employers looking to employ women apprentices.

We are now recruiting for the July intake commencing on the 11th July 2022.

PROGRAM COMMITMENT

As a participant in the program, you will:

- Enrol and complete a women's only, electrical pre-apprenticeship with Holmesglen (Mon, Tues, Thurs and Fri over 9 weeks)
- Be paired with a mentor and engage in the use of a new mobile application 'Kommunity of Practice'
- Participate in an evaluation of the program
- Undertake 3 days of additional training during your pre-apprenticeship:
 - Complete a course in Respectful and Safe Workplace Training (Wednesday 13 July)
 - Undertake training - Making the most out of being a mentee (Wednesday 27 July)
 - Meet your mentor and complete training on the use of the Kommunity of Practice application (Wednesday 20 July)

INTERESTED?

Please contact Jacinta at the Centre for U to find out how to participate in the program. Ph: **1800 270 875**.

PROGRAM BENEFITS

As a participant in the WAVE Mentoring Program, you will:

- ✓ Be part of a program that aims to increase the number of women in the electrical trade
- ✓ Be connected to employers looking to employ women
- ✓ Be matched with a mentor who will support you on your training and employment journey
- ✓ Have access to online preparation for work units
- ✓ Receive a Myki Card to cover the cost of travel to and from training
- ✓ Have your textbooks supplied for the pre-apprenticeship – **value \$165**
- ✓ Receive an electrical test equipment pack when you successfully complete your pre-apprenticeship – **value \$500**
- ✓ Receive personal protective equipment
